Case no.: 15-13369

Debtor.

Chapter 13

Andre Bisasor

EMERGENCY DEBTOR'S MOTION TO EXTEND TIME TO
FILE DOCUMENTS

To the Honorable Joan Feeney, Bankruptcy Judge:

I, Andre Bisasor, the Debtor herein, make this Motion

To Extend Time to File documents for the order to update including the matrix and other forms

In support of this motion, I respectfully represent the following:

I filed this case on ^{Thursday} August 27, 2015. The order to update was ~~marked~~ put in the mail on ^{Friday} August 28, 2015. I received the mail today. (Tuesday 9-1-15). I need time to put together the documents especially for the matrix which is due tomorrow ^{Wednesday} 9-2-15. Also, the ^{Deputy} clerk told me that I really should get legal counsel for chapter 13 case because of it's complexity. Therefore I also need time to secure counsel. I request 30 day extension of time or otherwise what the court deems proper.

WHEREFORE, the Debtor prays that this motion be ALLOWED.

Respectfully submitted:

THE DEBTOR
